

## Riverdale Junior Golf 2008

The Professional Staff at Riverdale would like to welcome you to the 2008 Junior Golf Program. Our goal is to offer a safe and fun environment for junior golfers to learn the skills and etiquette necessary to thrive in a golf course setting, and enjoy the game for a lifetime. The focus of this year's program will be in three areas:

- **Beginner/Intermediate Juniors ages 6-17**
- **Juniors under 8 (pee-wees)**
- **Competitive Juniors (middle school & high school golfers involved in competitive golf programs)**

The program for juniors 6-17 will consist of 2 sessions, one in June and one in July/August. The clinics will be held on Tuesday mornings. Each session will include four one-hour clinics that will focus on the full swing, chipping, pitching, putting, sand play, etiquette, and rules. The cost of each session is \$80.

Students ages 12 and up will have the opportunity to play 9-holes after the last three clinics. To play on the course the student must pass an assessment by one of our PGA Professionals to determine if he/she is capable and ready to be on the golf course. Skills assessments will be done toward the end of each clinic and will be based on both their cognitive and athletic ability. After passing the assessment, students may play after class for a \$4.50 green fee. **Juniors are expected to follow all of the rules and etiquette of the game while on the course. Playing privileges may be suspended, at the discretion of the staff, if a junior golfer fails to comply.**

The junior golf season will conclude with a tournament/fun day followed by an awards banquet and BBQ on Tuesday, August 5th. Parents are invited to join in the fun

For those children ages 5-7, and any first time golfers under 8, we will offer our Pee-Wee's / Beginners sessions. These sessions are designed as an introduction to the game of golf. We will focus on the most basic skills needed for future success in golf. These sessions will include basic instruction for the junior and demonstrations by the professional staff, and will be followed by ice cream & treats. Cost will be \$10 per student for each clinic.

We will also be offering a series of competitive camps for middle school/high school golfers who are playing, or plan on playing, competitive golf at the high school level and beyond. These camps will be coordinated with local high school coaches, who will help identify the players who would benefit from these sessions. The times and dates are to be determined.

Whichever program your child participates in, we look forward to helping them improve and enjoy this great game. Please feel free to contact the golf shop at 303-659-6700 if you have any questions.
